Join this special **FAITH OF AFRICA** pilgrimage to **UGANDA** and **RWANDA**. The pilgrimage will be led by **FR MLUNGISI MABE** of the archdiocese of Johannesburg.

Our journey will take us to places associated with the **Martyrs of Uganda**, a group of Christians killed for their faith between 1885-87, and to Rwanda where we will take part in the **feast day** events of **Our Lady of Kibeho** at Africa's most popular Marian shrine

We will *fly* between Uganda and Rwanda (instead of doing the 16-hour bus-ride). Accommodation in our hotels includes breakfast and dinner. Mass will be celebrated daily.

Places on this pilgrimage are limited, so to avoid disappointment, **BOOK EARLY** by putting down a deposit.

Today we visit the national **Namugongo Martyrs shrine** which is the spot where **st Charles Lwanga and st Kizito** were burnt to death in 1886. The Martyrs of Uganda were converts executed on the orders of King Mwanga II from 1885-87. The local **Martyrs Museum** tell the story of that persecution. Overnight: Kampala

After breakfast we set off for **Munyonyo Martyrs shrine**, the place where the persecution of the first martyrs took place in Mwanga's palace. We then proceed to **Rubaga Cathedral**, the headquarters of the Catholic faith in Uganda. Here we learn about the history of the Church in the country, and also see the unique architecture in this place.

We visit **st Matia Mulumba church** at Old Kampala Hill, dedicated to St Matias Kimberoga, a courageous chief who was also martyred for his faith, and **Balikuddembe shrine**, dedicated to a high ranking official of Mwanga's court, St Joseph Mukasa Balikuddembe, who was executed for refusing the order to have the local missionary bishop murdered. In the morning we take the short flight from Uganda to Rwanda's capital Kigali, and proceed to **Kibeho** where Our Lady appeared to several young people in the 1980s.

The apparitions, which began on 28 November 1981, communicated various messages to them, including an apocalyptic vision of Rwanda descending into violence and hatred, foretelling the 1994 genocide. The Virgin appeared to the group with the name "Nyina wa Jambo" ("Mother of the Word"). One of the young visionaries, Marie Claire, was murdered in the genocide. Kibeho has become a **place of apparitions and pilgrimage**. We may begin our pilgrimage there with the shrine's **stations of the Cross**, remembering that Our Lady always points us to Jesus.

Sanctuary of Our Lady of Kibeho

Friday, November 27

Today we explore the **sanctuary of Our Lady of Kibeho** with the **Apparition square**, the **statue of Our Lady of Kibeho** in front of the **Church of sorrows**, the **Esplanade** of the Shrine, the **Chapel of the Holy sacrament** and the source of **Mary's spring**, which appeared out of nowhere during Our Lady's visitations, in an area where there is very little water. We follow the **Way of the Rosary of the seven sorrows** (a devotion special to Kibeho; read more at https://t.ly/oaRoB) and have opportunity for confession and adoration.

On the eve of the feast of Our Lady of Kibeho, we may attend **Holy Mass** followed by a **candlelit procession** with the statue of the Virgin Mary, a multilingual **Rosary**, worship songs, and dance.
